- Reduced Spend • Inventory Control

Wild Berry

Odor Eliminator & Freshener

Counteracts malodors without overpowering or damaging the sense of smell, and continues to work long after the pleasant fragrance dissipates. Formulated to control continuous-source odor problems, this product is especially effective for industrial use at garbage and trash sites or wastewater treatment plants.

DIRECTIONS

Air Freshening and Odor Control

Add one ChemPac to one quart of water. Shake to mix.

Spray, fog or pour directly onto or around odor source.

Resilient and Hard Surface Floors

Add one ChemPac to mop bucket of cleaning solution. Mop in usual manner.

Carpet Cleaning

Add one ChemPac to carpet shampoo in rotary-type or water extraction equipment.

Product Specifications
