

EZ PATCH - 100% EPOXY FLOOR PATCH

The best and easiest floor patching system you will ever use or your money back.

Ez PATCH is a heavy duty high compression strength floor patch for repairing and resurfacing damaged plant floors - renews and repairs spalled & damaged floors, fills and eliminates damaged expansion joints, and anchors machinery.

Ez PATCH is packaged as a three component system in a single pail. Removing the lid you will see a cradle holding Part B of the two part 100% resin epoxy. After removing this cradle you will note that the rest of the pail contains Part A mixed with a special aggregate. You simply open Part B and pour it into this admixture and mix thoroughly to fill your holes, joints, cracks and damaged areas. Thats it! No measuring and no mistakes.

- 100% Epoxy Resin Base with a Catalyst hardener and special blended aggregate
- 18,000 psi compression strength
- Will not break down at temperatures below 350° F
- Withstands heavy, abusive traffic
- Absorbs vibration and shock without cracking
- Excellent for expansion and contraction applications
- Highly resistant to acids, alkalis, solvents, heat and cold
