

# Eco Orange

## Organic Cleaner/Degreaser

### DESCRIPTION

Orange Logic is a unique product with a multiplicity of uses from general purpose cleaning, adhesive and hot melt glue removal, to deodorizing to dissolving grease in drain lines and traps. It is the perfect product for removal of heavy greases or oily films from metal surfaces, and will also remove tar and bitumen from most hard surfaces. Use as a replacement for chlorinated and halogenated solvents.

### FEATURES

- Contains NO petroleum distillates, alkalies or halides
- 100% organic
- Highly concentrated organic formula
- Instantly emulsifies in water to penetrate and remove grease, oils and tars
- Excellent for opening clogged drains or grease traps where caustic solutions can be used
- Fresh citrus scent

### HOW TO USE

- For General Purpose Cleaning and Degreasing - dilute 4 ounces Orange Logic into 1 gallon warm water. Apply solution generously to surface to be cleaned. Let stand 5 minutes. Rinse thoroughly.
- For Odor Control - dilute 2 ounces in 1 gallon cold water. Apply through a sprayer to odor source. Orange Logic will immediately leave a fresh citrus scent.
- To Unclog Drains - pour 8 ounces of Orange Logic directly into drain. Let stand for 1 hour or more. Flush with hot water. For disposal, use the same procedure.

### SPECIFICATIONS

Physical Form	clear liquid
