

OmniMax

Water Soluble Cleaner/Dereaser

DESCRIPTION

OmniMax utilizes cutting edge technology to produce the most powerful all-purpose, biodegradable emulsifier that rapidly penetrates greases, oils, grime and dirt, and contains BioLogic's exclusive rust inhibitor. Use butyl-based OmniMax in parts washers, automatic floor scrubbers, power washers, steam cleaning machines, mop and bucket or trigger sprayers. OmniMax outperforms any other all purpose cleaner in cleaning machinery, oil soaked floors, coolant holding tanks, conveyors, engines, dies, presses, forklifts, etc.

FEATURES

- Butyl-based
- Super concentrated
- Non-flammable
- Biodegradable
- Non-Acidic
- Non-Abrasive
- Safe & highly effective

HOW TO USE

Recommended Dilutions:

Dilute 20:1 with water to clean presses, dies, forklifts, oil soaked floors, lathes, conveyors, engines, wheels, carbon deposits, floor wax removal or for use in parts washers.

Dilute 30:1 with water to clean auto interiors, appliances, decks, paint preparation, coolant holding tanks, tools, tile floors, soiled grouting, ovens, concrete.

Dilute 40:1 with water for use in steam cleaners, carpet cleaning machines, power washers, automatic floor scrubbers, for mop and bucket applications, cleaning kitchens, bathrooms and stoves.

Dilute 80:1 for carpet and upholstery cleaning, everyday cleaning of offices, hotel rooms & retail establishments and as a laundry pre-soak

SPECIFICATIONS

Physical Form	clear liquid
Color	purple
Odor	Sweetish
Specific Gravity	1.05
Flash Point	none

HMIS SYMBOL

Health	1
Flammability	0
Reactivity	0
